January 16, 2024: Data Equity and Framing Questions: Clarifying what question your project needs to answer.

During each of these Lightning Sessions, we will spend thirty minutes demonstrating how the topic relates to data equity and sharing examples of how to apply the ideas to research on the prevention of violence against women and children. Then, we’ll spend thirty minutes answering your questions live.

1:00pm GMT

HOW DO I ATTEND? You can register at no cost to you at this link.
