

# SEXUAL VIOLENCE RESEARCH INITIATIVE

10 AUGUST 2018

## JOURNAL ARTICLES

[Recent intimate partner violence against women and health: a systematic review and meta-analysis of cohort studies.](#) Bacchus L.J, Ranganathan M, Watts C, Devries K. *BMJ open.* 8 (7), ePub, 2018: This study determines the magnitude and temporal direction of the association between recent intimate partner violence and a range of adverse health outcomes or health risk behaviours. (Source: *London School of Hygiene & Tropical Medicine*).

[Keeping our core values ALIV\[H\]E. Holistic, community-led, participatory and rights-based approaches to addressing the links between violence against women and girls, and HIV.](#) Hale F, Bell E, Banda A, Kwagala B, van der Merwe L.L, Petretti S, Yuvaraj A. J. *Virus Erad.* 4(3), 189-192, 2018: This article explores the Action Linking Initiatives on Violence Against Women and HIV Everywhere (ALIV[H]E) framework in terms of its contribution to paradigm change to achieve the sexual and reproductive health rights of women experiencing, or living in contexts of, violence and/or HIV. (Source: *Safetylit*).

[Intimate partner violence against women in Nigeria: a multilevel study investigating the effect of women's status and community norms.](#) Benebo F.O, Schumann B, Vaezghasemi M. *BMC Women's Health.* ePub, 2018: This study examines the effect of individual and community level factors on intimate partner violence in Nigeria, with a focus on women's status and community-level norms among men. (Source: *BMC Public Health*).

[The Willingness to Intervene in Cases of Intimate Partner Violence Against Women \(WIIPVAW\) Scale: development and validation of the long and short versions.](#) Gracia E, Martín-Fernández M, Marco M, Santirso F.A, Vargas V, Lila M. *Front. Psychol.* e1146 (9), 2018: In this study, authors present the development and validation of the Willingness to Intervene in Cases of Intimate Partner Violence (WI-IPVAW) scale. (Source: *Safetylit*).

["Surviving the violence, humiliation, and loneliness means getting high": violence, loneliness, and health of female sex workers.](#) Pinedo González R, Palacios Picos A, de la Iglesia Gutiérrez M. *J Interpers Violence.* ePub, 2018: This study uses the theory of loneliness to explore the relations among violence, self-esteem, loneliness, health, and drug use of female sex workers with an aim to improve sex workers' health and well-being. (Source: *NCBI*).

## ONLINE RESOURCES

[Child marriage in Afghanistan: Changing the narrative.](#) UNICEF Afghanistan, Government of the Islamic Republic of Afghanistan. 2018: This report provides contextualised analysis on the knowledge, attitudes, and practices of communities in order to inform the development of future programming to either mitigate the impacts of child marriage or prevent further engagement in child marriage across Afghanistan. (Source: *Relief Web*).

[Breaking the Mould: Changing belief systems and gender norms to eliminate violence against women.](#) Ruiz D. Garrido A. *Oxfam.* 2018 (Full report and summary available in Spanish): This report provides insights into the prevalence of belief systems and gender norms among young women and men in the Latin America and the Caribbean. (Source: *WUNRN*).

[Trainer manual: Stand Up, Speak Out – Youth activism training – to help you end child marriage.](#) *Girls Not Brides.* 2018: This manual offers programmers and trainers a carefully planned series of workshops, all designed to empower young people; both by building knowledge around child marriage and by strengthening the skills they need to become powerful change makers. (Source: *Girls Not Brides*).

## RESEARCH OPPORTUNITIES & GRANTS

[Request for Application:](#) Sub-award social and behaviour change communication/community services and adolescent youth sexual and reproductive health – FHI 360. Deadline: 27 August 2018.

[Request for Applications:](#) ASPIRES Developing the evidence base – Supporting economic strengthening interventions for adolescent girls and young women in Zimbabwe. Deadline: 29 August 2018.

### Sexual violence is a global issue that requires coordinated evidence-based responses

The Sexual Violence Research Initiative is hosted by the Medical Research Council, South Africa. The SVRI aims to increase awareness and promote research on sexual violence and its linkages to other forms of violence to influence policy and practice, particularly in low and middle-income countries. To learn more about the SVRI visit our website [www.svri.org](http://www.svri.org) or contact us at [svri@mrc.ac.za](mailto:svri@mrc.ac.za)
